

Child Australia's Online Learning Centre | How to Enrol

WELCOME TO THE ONLINE LEARNING CENTRE

Child Australia's online courses ensure all knowledge, skills and abilities you gain are well understood, relevant and applicable to your needs. All of our materials are professionally researched, easily understandable and organisationally practical.

Stay Current | Learn Anywhere | Feel Supported

How do I get started?

Go to www.olic.org.au

If you **do not have an account** you can [create one following the on screen instructions](#).

Login using your **username** and **password**.

Navigate to the course you have purchased and enter your unique **Enrollment key** (from your Sales Invoice) into the **Course Code** Form.

You are now ready to begin your learning journey!

What if I need help?

Our courses are presented to you in separate modules, you need to think of each module as being interlinked. The knowledge and understanding that you obtain from each module forms the underpinning knowledge required to consider the forthcoming module.

You will may to contextualise your understanding to suit the requirements of your setting.

If you need help with the course, you can:

Email olic@childaustralia.org.au or

Call 1300 66 11 64
